

Welcome to The Alliance Pharmacy.

We are pleased you have chosen us to partner with you in the management of your healthcare.

Benefits of our patient management program services:

The Alliance Pharmacy's patient management program benefits include managing side effects, increasing compliance and overall improvement of health.

The Alliance Pharmacy understands that managing your condition is the highest priority. Following a prescribed course of treatment is not always easy, especially for those with chronic conditions. We appreciate the opportunity to build a relationship of trust, commitment and quality to assist you. By collaborating with your prescribing physician, The Alliance Pharmacy pharmacists can more effectively assist you in managing your medication and condition; while improving your outcomes.

The Alliance Pharmacy prides itself in supplying patients with a high level of personalized patient care from insurance verification to prompt accurate free delivery of your medications. Our highly skilled staff of professionals is dedicated to providing you with the highest quality of care when you most need it. The Alliance Pharmacy patients receive prompt professional service on our pharmacy hotline, where trained pharmacists are available for you 24 hours a day, 7 days a week, 365 days a year.

The Alliance Pharmacy is dedicated providing services to assist you in achieving the highest possible quality of life through medication, counseling/education and monitoring of drug therapy and interactions. We work with you and your physician to ensure proper drug usage, and help manage side effects and potential interactions between medications through our integrated patient care process.

Our pharmacists are specially trained in the treatment of health conditions that require customized care. They use state-of-the-art teaching materials that are detailed and therapy specific.

Due to the diverse population of patients that we service, our staff members have experience with various cultural aspects of care. Services will be provided without discrimination based upon race, cultural background, age, nationality, gender, or insurance coverage, while protecting confidentiality as mandated by the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Patients have the right to choose their health care provider and may opt in or opt out of any health care provider relationship at any time.

Limitations: Our services are limited to the products and services we provide.
